### Program Description:

Ocean Ave. Green Market will open its 3<sup>rd</sup> Season on October 31, 2009. It will be operating two locations: East Boynton & West Boynton.

The original site in East Boynton is located at the Schoolhouse Children's Museum. This site lends itself to artistic expression and fits well with the historical significant setting of the Schoolhouse Children's Museum. Emerging Artists qualify as artist who are beginning to display their artwork publicly. Emerging artists can be of all creative disciplines. The Green Market offers this opportunity as part of its mission to serve as an incubator for start-up businesses. The Green Market – East is excited in partnering with the City of Boynton Beach for its 3<sup>rd</sup> Green Market Season by offering **free vendor space to artisans** and an opportunity for musicians, poets, storytellers and singers to express their talent with the **open-mic program**.

To apply or for additional information regarding the green market, for open-mic please contact Ric Patterson at (561) 317-6411, and for Artist vendor space, Sherry Johnson at (561) 386-4261 or (561) 752-8598 or email to [sherryccc@aol.com](mailto:sherryccc@aol.com).
