

START OR GROW YOUR BUSINESS!

Small Business Development Program

The Boynton Beach CRA is pleased to provide a new business development program that assists Boynton Beach residents who desire to start up a small business or accelerate the growth of an existing business.

FORMAT

The Small Business Development Program is a **three month** program that works in and outside the classroom, providing group training and individual counseling services.

Each student is able to participate in a total of **nine workshops**. Workshops will take place on **Wednesday evenings**, with one **Saturday workshop** and a **Friday night** graduation ceremony.

Additionally, each student is able to participate in individual business counseling sessions that are tailored to the student's specific business needs.
